To access Web of Science personalization features, please sign in or register.

As a registered user, you can:

- Set a preference to start your session in a specific database or product
- Save searches in the Web of Science
- Add references to your EndNote Library
- Automatically sign in every time you access Web of Science.

Kliknij na Register

Podczas rejestracji należy podać swój adres e-mail

The screenshot shows the Web of Science registration page. A white callout box with a black border is centered over the registration form. The text inside the box reads: "Wpisz swój adres e-mail. Kliknij Continue". The registration form itself has fields for "E-mail Address" and "Retype E-mail Address". Below these fields are "Continue" and "Cancel" buttons. To the right of the form, there is a list of reasons to register with the Web of Science, including "Automatic sign in", "Access saved searches and search history", "Create alerts", "Add references to your EndNote Library", "Select a preferred starting database or product", and "Update your personal information".

The screenshot shows the Web of Science registration page with the "Registration" form filled out. A white callout box with a black border is centered over the form. The text inside the box reads: "Uzupełnij dane (dane oznaczone czerwoną gwiazdką są niezbędne do aktywacji konta) Po zatwierdzeniu zmian przyciskiem Submit Changes, konto zostanie aktywowane". The registration form includes fields for "E-mail Address" (filled with "raz@wp.pl"), "First Name", "Last Name", "Middle Initial" (optional), and "Password". Below the password field are "Password Guidelines" which state: "Must be 8 or more characters (no spaces) and contain: - at least 1 numeral: 0 - 9 - at least 1 alpha character, case-sensitive". There are also checkboxes for "Opt In/Opt Out" and "Automatic Sign In". At the bottom of the form, there is a "Terms and Conditions" section with a "Submit Changes" button circled in red.
